

LIVING JOURNEYS

Living Journeys Private Therapy Grant Application

Living Journeys provides financial assistance, emotional support, and enrichment to Gunnison County residents living with cancer. Emotional support can be helpful during every step of the cancer journey and we encourage our clients, and their families and caregivers, to explore all options and choose the best one(s) for themselves.

Support groups are facilitated by experienced therapists and occur monthly. They are free to attend and no RSVP is necessary. You can find the schedule at www.livingjourneys.org/calendar.
